

The Lemoore Library now presents wireless printing

This new feature allows you to print from basically anywhere (during open hours)

Printing from your laptop or home desktop computer

- Visit <http://www.printeron.net/kcl/lemoore>
- Select the printer and enter your email address
- Browse your computer to find the file you wish to print
- At the Lemoore Library, inform staff of your print job and email address
- Pay staff for your print job and it will be printed and given to you

How to print from tablet or smartphone app

- Visit your device's 'store' for apps, install and launch the PrinterOn App
- Click "No printer selected"
- Click "Search". Search for "Lemoore"
- Find 'Hanford Public Library Lemoore Branch' and click either "Black and White" or "Color" Printer and save
- Print your photos, documents, or webpages
